

ACT Online Testing

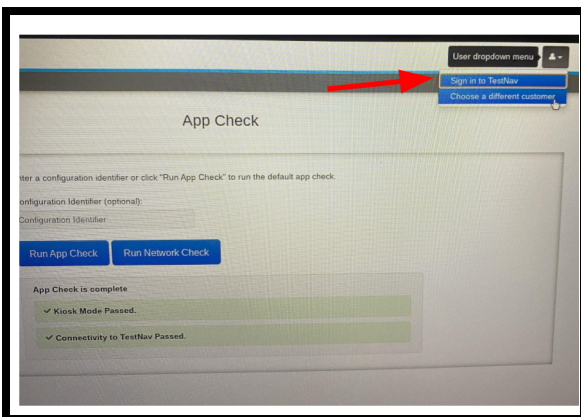

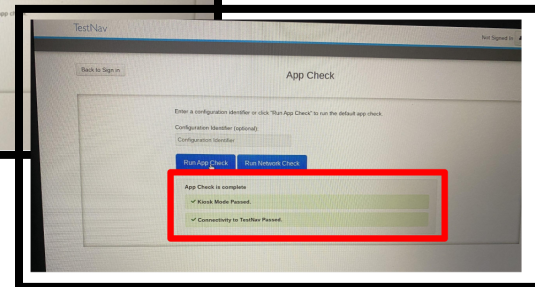

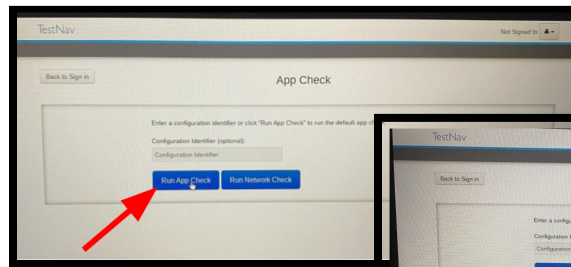

On the student chromebook click the “Apps” button and then select the “Test Nav” lockdown browser.

All students need to complete the App Check. Click on the **drop down menu** on the top right of the screen.

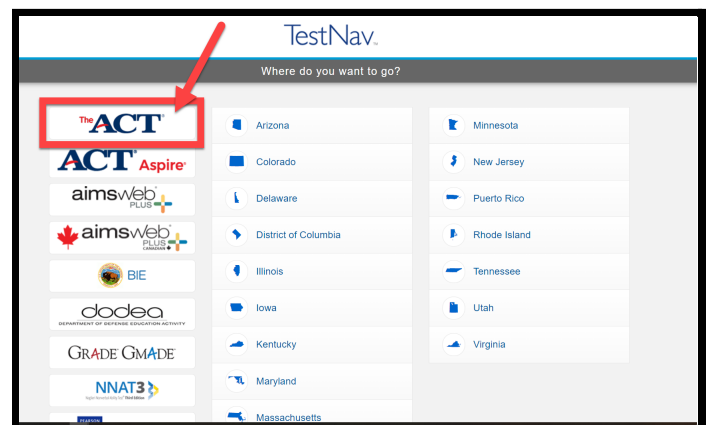

Click “Run App Check.”

App Check should run and complete with **two green bars** and checks.

Click the drop down menu and choose “Sign in to TestNav.”

Click on “The ACT” button.

Login to the ACT test with your **username** and **password** on your testing ticket.
